

AcuCam™ AE-512

Dual CCD Outdoor Night Vision Dome Camera

Features

- This revolutionary dual CCD night vision camera truly provides the utmost clear image at all times.
- At the CCTV market, most of night vision camera has only 1 CCD built in which cannot provide the true image quality display. Why? - for the video display, the day light wavelength and IR wavelength is different.
- With the new technology - Built in 2 independent SONY CCD, AE-512 provided 100% true color display at the day time with color CCD and super clear picture quality at the night time with B/W CCD (noise free), both CCD working independently.
- Available Lens: 3.6mm, 6mm

Day Time View

Night Time View Lens 3.6 mm
